

FIRELIGHT

SHADOW THEATER

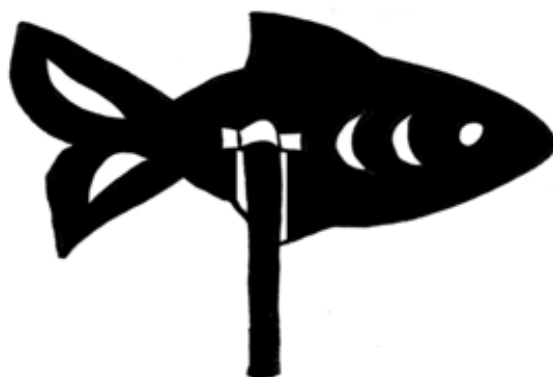

EST.  2020

Puppet-Making Directions

To make shadow puppets, tape each template sheet to a piece of black cardstock. When you then cut the template designs out, you will be cutting the FINAL black shadow puppets at the same time, as illustrated here:

Then, attach rods to your final black puppets using black Gorilla Tape, and you're good to go!

“Jack Be Nimble”

Jack be nimble,
Jack be quick,
Jack jump over
The candlestick.
